September Meeting

Nice turn out at the September meeting at Bob & Char Davis in Ferrisburgh. There were eight Model A's present and several others came modern. The food was fantastic! Bob & Char pulled out the stops. Vice President Doug Leithead presided over an impromptu meeting and thanked on the behave of all of us for the wonderful food and venue for this meet. Treasurer Dick Phinney ask if the club would join the Model "A" Ford Foundation (MAFFI) There were no objections and it was decided that the club would join and be supportive of this fine organization dedicated to the preservation of Model "A" Ford and the research information that we depend on. Dick Phinney also pointed out if any other member would like to join MAFFI it would be a good idea as MAFFI is a 501(c)(3) where your dues and any contributions are fully tax deductible. Doug also thanked newsletter editor Peter Crosby for the fine work and commented that Peter continues to make us look good. With all of the "modelaers" satisfied with full tummies Bob led us on a tour of the Lake Champlain water front in the Charlotte and Ferrisburgh area. Thanks Bob And Char for a great time!

Blowing My Horn...

Peter Crosby, Editor

First off, I would like to apologize for the brief newsletter this time around but circumstances here at home have gotten to point that I will need to take a break on the newsletter until the beginning of next year. Bonnie and I are splitting up; as most that would understand this can be a hard time for anyone. I will plan to continue with the Maple A News after I get settled; hopefully sooner than later. Thank you all who have contributed to the newsletter and hope you will continue to do so in the future.
